

Code: **FPR-RZPUxxAB**

Stainless steel manifold F-PRO with automatic flow control

<https://www.ferrocompany.com/product-6816-FPRRZPUxxAB.html>

Individual packaging: **1, package with bar code allowing for retail sale**

- Bar length [mm]: 585
- Bar size: 1" F-M
- Body material/assembly material: AISI 304 stainless steel
- Drain valve type: swivel G1/2xG3/4
- Media:
 - water
 - 50% glycol
- Nipple type: G3/4
- No. of drain valves: 2
- Type of valve on return bar: automatic flow limiter
- Type of valves on supply bar: balancing and measuring valves (flow meters)
- Type of vent valve: automatic
- Unit packaging method: box
- Warranty: 15 years
