**We are presenting our new catalogue
with Ferro's range of black bathroom and
kitchen mixers called Ferro Black Concept.**

Black accessories are a real hit in current interior design trends. We trust that this catalogue will make it easier for you to choose the ideal line from Ferro Black Concept mixers and showers for your home. All models, apart from interesting design, are produced with attention to detail and the black finish is durable and aesthetic.

BLACK CONCEPT

Black colour - always fashionable

in a bathroom

Black mixers fit perfectly into the enduring style of minimalism in interiors. They emphasize its simplicity and add elegance to bathrooms.

Regardless of the chosen colour of walls and ceramics, black mixers will always look chic and aesthetic.

in a kitchen

While choosing kitchen equipment, it would be a good idea to spend more time to learn about the possibilities and types of kitchen faucets. A fashionable, stylishly furnished kitchen is determined not only by interesting layout, eye-catching front surfaces, high quality household appliances or the colour of the equipment.

Fixtures can also be trendy! It's always worthwhile to choose products that meet your needs and have an interesting design at the same time. Black Concept Ferro kitchen mixers are exactly what you need. Their black or black-chrome finish will match all kinds of furniture and worktops.

FERRO STRATOS BLACK

STRATOS BLACK

Perfect in every way

The **Stratos Black** line is an example of a perfect composition of modern form with a matt black finish. This duo makes the line popular and fits perfectly into simple monochromatic interiors.

The **Rondo Lux Black** set with a round rain shower and a shower handle is another proposal from the Ferro black collection. Easy installation of the shower or wall-mounted bathtub mixer allows to create a dream bathing zone.

ALGEO BLACK

Prepared for anything

The **Algeo** line, so admired by its users, has been expanded with a black version. Delicate chrome details enliven its simple form and add charm.

One of our new **Rondo Black** shower sets fits into the collection. Its finish harmonises perfectly with black shower or bath mixers.

FERRO ZICCO BLACK

ZICCO BLACK

A unique form

The **Zicco Black** line is a proposal for those who admire simplicity and modern design. The dominant quadrilateral form of the mixer is also visible in the smallest details, such as pads and rosettes. This is why the models from this collection have a unique appearance.

The stylistic consistency of the bathroom furnishings is achieved by choosing a shower set compatible with the mixer in terms of colour and shape with a quadrilateral motif.

FERRO ALGEO SQUARE BLACK/CHROME

ALGEO SQUARE BLACK/CHROME

Compact and modern

Algeo Square Black/Chrome is designed for all users who want to furnish a modern bathroom according to the fashionable Black style trend and at the same time appreciate a chrome finish. Covered in chrome: the flat, straight-ended handle and the upper surface of the spout reflect the light and create an original composition with the black base of the mixer.

For this line of mixers we suggest you choose one of our shower proposals with a black finish – the **Squerto Black** set. Its characteristic feature is a square rain shower with a system for easy limestone removal.

ADORE BLACK/CHROME

A bold combination

Adore Black/Chrome will delight those who prefer to combine modern black with traditional chrome. The models in this line include both flush-mounted and multi-hole bath mixers.

Trevi Black is a real black pearl for aficionados of comfortable showering. The set, thanks to the thermostatic mixer that ensures that the water temperature is maintained at the desired level, and the large shower head, will provide amazing comfort and relaxation in the shower. Trevi is additionally equipped with a shower handle with three types of spray.
